### Michigan Interchange I-75 Closures

**EMERGENCY DETOUR ALERT:** Bridging North America (BNA) has implemented a new detour on Woodmere Street in response to the emergency closure of the Fort Street and Dearborn Street intersection. Northbound motorists heading toward Springwells Street northbound will be detoured to Fort Street eastbound/Melville Street eastbound, south on Green Street southbound, west on Jefferson Avenue westbound, north on Dearborn Street northbound, north on Woodmere Street, east on Vernor Highway eastbound, and then Springwells Street.

#### West Jefferson Avenue - **NEW**

- The existing closure along West Jefferson Avenue between Dearborn Street and Zug Island Road will remain in place until September 9, 2022. Additionally, due to other unrelated construction, the detour routes on eastbound West Jefferson Avenue have changed and will no longer include Woodmere Street.
- West Jefferson Avenue will close to westbound traffic between Cary Street and Green Street from August 26 to September 30, 2022.

#### West End Street

- West End Street will close at West Jefferson Avenue from July 28 to September 30, 2022.

#### Jefferson Avenue

- The right lane of eastbound Jefferson Avenue at the intersection of Dearborn Street will remain closed until September 12, 2022.
- The right lane of eastbound Jefferson Avenue between West End Street and Campbell Street will remain closed and be shifted to westbound Jefferson Avenue until September 12, 2022.

## Construction Activities - United States

**Week of August 29, 2022**

### Michigan Interchange I-75 Closures

#### Green Street

- Green Street will remain closed between southbound I-75 Service Drive and Lafayette Boulevard until September 5, 2022.

#### Lafayette Boulevard

- Lafayette Boulevard will remain closed at the Green Street intersection until September 5, 2022.

#### Clark Street

- Northbound or southbound Clark Street will close between Fort Street and southbound I-75 Service Drive until September 9, 2022.
- Northbound or southbound Clark Street will close south of Fort Street until September 9, 2022.

#### Campbell Street

- The existing long-term closure on Campbell Street between West Jefferson Avenue and Fort Street will remain in place until August 31, 2022.

#### Fort Street

- The existing right lane and parking lane closure on westbound Fort Street between Wheelock Street and Beard Street will remain in place until September 5, 2022.
- The existing mobile closure on Fort Street between Springwells Street and Clark Street will remain in place until December 23, 2022, from 9 a.m. to 2 p.m. daily as needed.

**Week of August 29, 2022**

### Michigan Interchange I-75 Closures

#### Springwells Street

- The right lanes on northbound and southbound Springwells Street will close between Fort Street and southbound I-75 Service Drive from August 9 to October 10, 2022, from 9 a.m. to 3 p.m. daily as needed. Mobile closures will be less than one hour as needed.

#### I-75 Service Drive

- Existing mobile closures on the northbound and southbound I-75 Service Drives between Clark Street and Green Streets, and Springwells and Central Streets will remain in place until October 31, 2022, between 6 a.m. and 6 p.m. as needed. Only one lane will close. Closures will be less than 30 minutes for mobilization and demobilization of equipment activities.

- Mobile closures on northbound and southbound I-75 Service Drives between Schaefer Avenue and Michigan Avenue will remain in place until October 28, 2022, between 7 a.m. and 6 p.m. daily as needed.

- The existing northbound and southbound I-75 Service Drive closures between Waterman Street and Dagoon Street will remain in place until December 16, 2022. These long-term closures have been extended to complete the realignment and reconstruction of the northbound and southbound I-75 Service Drives.

- Northbound and southbound I-75 Service Drive will close over a long-term period between Green Street and Waterman Street. Combined with pre-existing Service Drive closures in the area will make the entire northbound and southbound Service Drive closed from Springwells Street to Clark Street.

The following road closures are in place;

- Waterman Street between northbound and southbound I-75 Service Drives
- Dagoon Street between Fort Street and the southbound I-75 Service Drive
- Green Street between Fort Street and the southbound I-75 Service Drive.

## Construction Activities - United States

**Week of August 29, 2022**

### Long Term I-75 Closures

As construction of the Michigan Interchange and the US Port of Entry (POE) continues, Bridging North America will extend the temporary closures along Livernois Avenue. Additionally, Cavalry Street and Military Street will remain closed over a long-term period. As a reminder, in July 2020, several streets closed over a long-term period including sections of Dragoon Street, Driggs Street, Harvey Street, Reeder Street and Hussar Street.

#### Junction Street

- Junction Street bridge between the northbound and southbound I-75 Service Drives will close over a long-term period.

#### Springwells Court

- Springwells Court northbound and southbound is closed west of the Lafarge entrance to east of the Springwells Court detour from May 15, 2021 until November 23, 2024.

#### Cavalry Street

- Cavalry Street will remain closed between the northbound I-75 Service Drive and Fort Street.

#### Military Street

- Military Street will remain closed between the northbound I-75 Service Drive and Fort Street.

#### Post Street

- Post Street remains closed over a long-term period between CSX Railroad and the Delray Mechanical entrance.

## Construction Activities - United States

**Week of August 29, 2022**

### Construction Activities

#### US Port of Entry (POE)

- Installation of underground wet and dry utilities continue at South Street.
- Activities on the commercial building included preparation for slab on grade, the installation of overhead conduit and piping on the mezzanine and concrete masonry unit blocks in the south corridor and on the north wall.
- Installation of panels, overhead hangers and conduits, the air barrier around the façade of the building and concrete masonry unit blocks at east wall continue for the commercial building. Crews are also backfilling screen walls in the service yard.
- Underground mechanical, electrical and plumbing works continue for the main building as well as framing, the installation of hangers on the second floor and the installation of precast panels.
- Installation of the second floor hangers and stairs continue in the outbound building were completed.
- Steel structure was erected for the pedestrian bridge.
- Forms were set for the concrete footing for the pedestrian processing building.
- Excavation continues for the footing foundation for the commercial canopy.
- EPS blocks were installed for the USDA building foundation.
- Manholes were installed at Calvary and Harvey.

#### US Bridge site

- Rebar activities continue for the upper cross beam in the transition area of the tower legs.
- Installation of floor beams, edge and redundancy girders continue at the side span deck.
- Pile driving continues for the approach bridge.

#### Michigan Interchange

- Teams completed the installation of the chamber wall forms for the Calvary siphon.
- Breaking of the pavement from Livernois to Green Street and from Waterman to Green Street took place.
- Concrete was poured for the curbs and side street approaches from Lewerenz to Beard Street.
- The team back filled and installed underdrain on the Junction Street bridge median pier.
- Pile driving and concrete work continues for the ramp activities along I-75.
