

Gordie Howe International Bridge

Construction Activities: Canada

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience

Week of December 5, 2016

Perimeter Access Road (PAR)

Construction related to the PAR continues this week with the installation of street lights along the west end of Broadway Street.

Fill, Grading and Drainage

There is no fill, grading or drainage work currently planned.

Utility Work

Hydro One work continues with the installation of a new hydro tower just east of Sandwich Street.

Temporary Road Closures

Access to Dainty Foods scale entrance will be limited due to paving operations on Broadway Street. The main entrance will not be affected and will remain open.

Broadway Street (from Linsell Avenue to Sandwich Street) and Sandwich Street (from Chappus Street to Broadway Street) will be closed to traffic until December 31, 2016.

For more details about these road closures, please visit the City of Windsor website: <http://www.citywindsor.ca/residents/construction/pages/construction-projects.aspx>.
