

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of May 30, 2016

Demolition Activity

Demolition activities will occur on West Fort Street (between Military Street and Dragoon Street), Military Street (between Jefferson Avenue and the railroad tracks), and the Northbound I-75 Service Drive (between Campbell Street and Calvary Street). The roads will remain open and the work is not expected to impact traffic.

Preliminary Site Investigation (PSI)

PSI work will occur on West Jefferson Avenue (between Waterman Street and Schroeder Street), West Fort Street (between Casgrain Street and Livernois Avenue), and West Fort Street (between Campbell Street and Calvary Street). The roads will remain open to the public, and the work is not expected to impact traffic. The work at these locations is expected to be completed by June 3, 2016.

Survey Activity

There is no survey work currently planned.

Utility Work

There is no utility work currently planned.

Temporary Road Closures

There are no road closures currently planned.
