

SNAKE CRAFT

Follow the directions below and make sure your own Eastern Foxsnake or Butler's Gartersnake

What you need: small or large paper plate, scissors, glue, paint, crayons or markers.

1. Cut plate into coil shape.
2. Shape the head.
3. Cut a forked tongue from the plate scraps. Glue it to the mouth.
4. Paint or colour the snake.

Take a photo of you and your project and share it with us and we'll add it to our Facebook and Twitter feeds!
