

# PEOPLE'S COMMUNITY SERVICES PARTNERSHIP HIGHLIGHTS

The Community Benefits Plan is bringing enhancements to Delray/Southwest Detroit and Sandwich/west Windsor through investments in programming, events and infrastructure improvements. Learn more about the plan at [GordieHoweInternationalBridge.com](http://GordieHoweInternationalBridge.com).

In 2020, *People's Community Services of Metropolitan Detroit (PCS)* received funding to repair the roof above the gymnasium and activities rooms at Delray Neighborhood House, a community center in Southwest Detroit. These improvements enable community members to enjoy sports games, programming and meetings without interruption.

*"It is hard to put into words the feeling of security of not having to worry about the roof and damage every time it rains. Again, many thanks to the Gordie Howe International Bridge Community Benefits Plan for repairing the roof at PCS' Delray Neighborhood House."*

Kelly Farrah, Acting Executive Director, People's Community Services

## PROGRAMMING UPDATE

The Community Benefits Plan included commitments to invest in youth programming at Delray Neighborhood House delivered by PCS. In November 2020, this funding commitment was dissolved due to PCS ceasing operations. The associated funding was redirected to support new investment opportunities in Southwest Detroit.
